ORACCA's Vendor Members & Sponsors Appreciation Issue

VENDOR APPRECIATION

This issue is devoted to thanking our vendor associate members for their support of the ORACCA association during 2014. ORACCA is grateful for all the efforts of our associate members in making our monthly meetings and association events successful.

Some examples are listed below. Be sure to check out our Associate Member listings on pages 2-4 and give them your business, whenever possible.

JUNE MEETING

Those of you who attended the June "technician" meeting were part of large crowd. The idea behind a meeting for technicians was to bring attendees up to the minute information on products to make their job easier and more professional. This was a great opportunity to get your technicians up to speed on a number a profit items for your business. They learned how to sell it to their customers and how to take the mystery out of how to install the items. We want to thank Johnstone Supply for their support in putting the program together and for sponsoring the luncheon.

JULY GOLF

The Annual ORACCA Golf Tournament was held July 14th at Oregon City Golf Course. It was a beautiful day and we had a full turnout for the tournament. Please thank our sponsors shown on page 7. Without them, we could not hold such a great event. NW Natural again sponsored the dinner for the outing.

SEPTEMBER SHOOT-OUT- RESERVE THE DATE

Come join us on September 20th, 12:00PM to 5:00PM, at the Canby Rod & Gun Club for the annual ORACCA Shoot-Out. We are holding trap and target shooting for those wishing to hone their skills.

NW Natural will have their Bar-B-Que wagon at the event to provide the food for the attendees

TRAP SHOOT: ORACCA provides Ammo - 25 Shells per shooter and Birds - 25 per shooter. **Awards for 1st, 2nd, and 3rd Place**

PISTOL RANGE: ORACCA provides Targets, Range Fee and Range Safety Officer. Target shooters supply their own handguns and ammo.

ORACCA HVAC Contractor Members, be sure to support our Associate Vendor members

Our Associate members have provided support, both monetarily and through the use of their facilities to make our monthly meetings and events a success. Without their support, ORACCA could not provide its members with the networking, training and education, which is necessary for the success of any HVAC business. Please give their representatives your time and attention when they call on you, as appreciation for their efforts on our behalf.

Energy Trust of Oregon ductless heat pump bonus

Oregon homeowners can get a \$200 bonus for qualifying ductless heat pumps installed by November 30, 2014, in addition to the standard incentive. Also through November 30, owners of manufactured homes can get a \$500 bonus. Portland General Electric and Pacific Power customers are eligible for one bonus per home.

Enter the promotional code **2014TA** on incentive applications to ensure your customers receive the bonus.

See the [program information sheet 320I](#) for ductless heat pump installation requirements. Only projects installed between July 1 and November 30, 2014, will qualify. Existing single-family homes, Home Performance with ENERGY STAR®, Savings Within Reach and existing manufactured homes projects qualify for the bonus. Applications for single-family projects must be received within 90 days of installation, and applications for all other programs must be received within 60 days of installation.

Please contact Shawn Fredrickson at Energy Trust Existing Homes if you have any questions: 866.365.3526 or existinghomesta@energytrust.org.

2014 Annual ORACCA Golf Tournament

These are some candid shots of our Annual ORACCA Golf Tournament participants.

A good time was had by all!!.

Does it seem like some players had a better time than others?

Regardless, it was a perfect day for Golf, fun and fellowship

As in years past, NW Natural was on hand to provide great food for all the golfers.

ORACCA wants to thank all their Sponsors for there support of this event. Please see the list of Sponsors on the next page and give them your business when the opportunity presents itself.

Dinner sponsored by
NW Natural Gas

ORACCA, The Oregon Chapter of Air Conditioning Contractor of America, is a Non - Profit, 501-C6, trade association. Our members are Heating and Air Conditioning Contractors and Associate members, comprised of suppliers to the industry. We make special effort to reward our sponsors with the patronage of our contractor members, associates and their employees, which number in the thousands, throughout the Oregon, Southern Washington area.

The function is a fundraiser used to support our efforts to provide training and certification to our HVAC contractor member companies and their technicians.

We would sincerely appreciate your support of our association and as such will include your company name on our sponsor board, function program, three monthly newsletters (sent to over 800 recipients) and announced at our October member meeting. Raffle prizes are also appreciated and similarly recognized.

We have room for several table top displays for any firm wishing to display their wares. Since this date is close to hunting season, many of the attendees are interested in new field equipment and or the latest in weapons.
