ORACCA's Vendor Members & Sponsors Appreciation Issue

VENDOR APPRECIATION

This issue is devoted to thanking our vendor associate members for their support of the ORACCA association during 2015. ORACCA is grateful for all the efforts of our associate members in making our monthly meetings and association events successful.

Some examples are listed below. Be sure to check out our Associate Member listings on pages 2-5 and give them your business, whenever possible.

JULY GOLF

The Annual ORACCA Golf Tournament was held July 13th at Oregon City Golf Course. It was a beautiful day and we had a full turnout for the tournament. Please thank our sponsors shown on page 7. Without them, we could not hold such a great event. NW Natural again sponsored the dinner for the outing.

SEPTEMBER MEETING (NATE CEU's)

September 3, 2015, GENSCO is sponsoring a NATE certified training class on Gas Furnaces. White Rogers will provide this training. They have an extensive line of ignition modules, boards and ignitors, which would make for excellent truck stock. This training will remove any questions your techs may have on using these devices and allow for more completed calls on the first trip.

GENSCO is sponsoring the meeting space at the NW College of Construction and the lunch, so plan to attend.

SEPTEMBER SHOOT-OUT- RESERVE THE DATE

Come join us on September 19th, 9:00AM to 12:00PM, at the Canby Rod & Gun Club for the annual ORACCA Shoot-Out. We are holding trap and target shooting for those wishing to hone their skills.

NW Natural will have their mobile food wagon at the event to provide the food for the attendees

TRAP SHOOT: ORACCA provides Ammo - 25 Shells per shooter and Birds - 25 per shooter. **Awards for 1st, 2nd, and 3rd Place**

PISTOL RANGE: ORACCA provides Targets, Range Fee and Range Safety Officer. Target shooters supply their own handguns and ammo.

ORACCA HVAC Contractor Members, be sure to support our Associate Vendor members

Our Associate members have provided support, both monetarily and through the use of their facilities to make our monthly meetings and events a success. Without their support, ORACCA could not provide its members with the networking, training and education, which is necessary for the success of any HVAC business. Please give their representatives your time and attention when they call on you, as appreciation for their efforts on our behalf.

ORACCA, The Oregon Air Conditioning Contractor Association, is a Non - Profit, 501-C6, trade association. Our members are Heating and Air Conditioning Contractors and Associate members, comprised of suppliers to the industry.

We make special effort to reward our sponsors with the patronage of our contractor members, associates and their employees, which number in the thousands, throughout the Oregon, Southern Washington area.

This function is a fundraiser used to support our efforts to provide training and certification to our HVAC contractor member companies and their technicians. We would sincerely appreciate your support of our association and as such will include your company name on our sponsor board, function program, three monthly newsletters (sent to over 800 recipients) and announced at our October member meeting.

Raffle prizes are also appreciated and similarly recognized.

We have room for several table top displays for any firm wishing to display their wares. Since this date is close to hunting season, many of the attendees are interested in new field equipment and or the latest in weapons.
