Manual D Training & Test
Registration limited to the first 20 applicants

Test Site
CCC Wilsonville Campus
Room 214
29353 SW Town Center Loop East,
Wilsonville, OR 97070

Session will be held on the second floor. There is plenty of parking at the building. Applicants should have at least one to two years experience in the HVAC industry. This is a very rigorous test of the technician's knowledge of the trade.

Training/Testing

Training will consist of eight hours of training and test preparation dealing with duct design. Following the training, each participant will take a 50 question multiple choice test, written test. Those successfully passing the test will be issued an ORACCA duct design ID card. 80% passing required.

Each participant is required to purchase their own copies of ACCA manuals; D & T. A trane ductulator, supplied by GENSCO, will be issued at the class to each participant. Those wishing to purchase the ACCA ductulator should include this item on the order form on the other side of this document

What to Bring

- Photo Identification.
- Your NATE ID number if you have one.
- ACCA Manual D and Manual T text books
- A non-programmable calculator

Each applicant wishing to participate in this Manual D testing session must fill out the registration form and return it to ORACCA Headquarters. You will be notified of test specifics and a link to the study guides once you have registered.
