July 20th @ NW Natural Sherwood Codes Meeting

1.0 CEU

**Oregon
CCB CE**
2.0 CE Hours

Travis Smith

Our presenters are **Travis Smith**, owner of Sky heating and **Dave Parkin**, President, Parkin Electric.

Travis will be covering both contractor and code official's interests in ground-source heat pumps; their installations and challenges, and their advantages in residential use. He will also be covering loop types, system types, what differences there are etc.

His experience with geothermal installations and products makes him eminently qualified to speak on this subject.

Dave will present on LP and natural gas powered backup generators. Parkin Electric is a distributor for Kohler generators and they also use and recommend Generac, Subaru and Eaton products. Dave will share his expertise and knowledge dealing with installation and code related issues with these products.

So, if you need CCB CE's, here is an opportunity to accumulate 2.0 CE hours toward your requirement. Plus, you can get answers for all your code related questions at the same time.

This is a joint meeting between ORACCA and OMOA. The Oregon Mechanical officials Association. Their membership consists of code officials from State and local jurisdictions throughout Oregon. Attending will be Code Officials from the surrounding jurisdictions,

This is a meeting you should not miss! CCB CE's, NATE CEU's and answers to code questions.

The **July ORACCA/OMOA quarterly Codes** This **MEMBER ONLY July 20th Codes update meeting** is scheduled to be held at the **NW Natural Gas/Training Center 20285 SW Cipole Rd. Sherwood, OR 97140. Lunch is being provided by NW Natural, at 11:00AM to 1:00PM Thursday, July 20, 2017.**

News from the Oregon Construction Contractors Board (CCB). As you know, all residential construction contractors need eight hours of continuing education every two years. Of these: Three hours must be the state's Laws, Regulations and Business practices courses. These are only available on the CCB website or from the state at a live presentation. Plus five hours of Series A business management, safety or code courses.

As of July 1st, ORACCA is an authorized provider for Series A & B educational courses.

As such, this class will qualify for 2.0 CE hours of credit toward your CCB series A requirement! A new member benefit.

This meeting also offers one NATE CEU for attendees.

Inside This Issue

July Codes Meeting 1

ORACCA Golf 2

Sponsorship 3

Calendar 4

Take I-5 North or South, depending on the direction from which you are starting.

Take the Nyberg St exit, EXIT 289, toward Tualatin-Sherwood Rd.

ORACCA distributes NEWS & VIEWS on a monthly basis to members and selected non-members, so that all those in the HVAC/R industry can keep informed of issues regarding our trade, and Chapter activities. We hope the non-members will see this newsletter as an example of the quality services that ORACCA provides. Contributions or suggestions can be faxed to Association Headquarters at 503-914-1999 or emailed to dick@oracca.org
