IMPORTANT - Open Code Items Discussion

The Oregon Mechanical Officials Association (OMOA) is kind enough to meet with ORACCA once each quarter to discuss the many and varied code related question that come up during these meetings.

So, this is your opportunity to get your voice heard on code issues. As the old saying goes, “if you want to have skin the game, then show up and participate.”

Bring your suggestions to the meeting for open discussion between contractors, suppliers and code officials.

See you at NWN Sherwood! Have lunch and listen to the people who can answer your code questions.
