To assist and enable ORACCA members to acquire, serve, and satisfy their customers by:

- Providing the highest quality technical and management information and services
- Promoting good business ethics and sound business practices
- Being the standard of excellence by which others are measured
- Influencing the public policy to improve the business climate
- Enhancing the image of contractor professionalism to government, industry, and the public
- Maintaining and expanding ORACCA's membership base and sphere of influence
- Being the source for training and NATE CEU credit hours

These courses offered by ORACCA also are certified by NATE for CEU credit hours

Brazing Certification	5 Hours
Manual D Certification	8 Hours
Manual J	6 Hours
NATE Heat Pump Training	2 Hours
NATE Gas Heat Training	2 Hours
Monthly Meetings	17-18 Hours Annually

ORACCA was also recently appointed as a provider for continuing education credits required by the Oregon CCB. Our monthly meetings provide for a one hour CE toward your CCB requirements. The quarterly meetings with the Oregon Code Officials, qualify for two hour CE's for the CCB requirements. So, in addition to NATE CEU's, you can now get CCB, CE's, networking with your fellow contractors, code officials, suppliers, ETO, and the utilities, lunch and important information critical to your business. Join us.

You are invited to join the professionals in the HVACR Industry in Oregon

Our industry is constantly changing. Our strength is in numbers and we will work together to achieve our mutual goals. By attending meetings, seminars and conventions, you will gain ideas and tips on running your business more profitably by networking with the industry's best and most profitable contractors.

What will I get?

There are many benefits of an ORACCA membership. **Here are the top three mentioned by existing members.**

- 1. Networking with other contractors.** This source of information is invaluable in handling problems within your own company. ORACCA members help fellow members to be successful
- 2. Training discounts.** Brazing, NATE, Manuals J, D&T certification, CFC Certification pricing for members, more than covers the cost of membership.
- 3. Medical insurance.** The Health plan just negotiated an additional 15% reduction off the first year premium. This should more than pay for any ORACCA membership dues.

- Additional reason for membership are:
- Access to local experts from NW Natural, PGE, ETO and Local and State Building Code Division personnel for your technical and code questions.
- Monthly meetings with informative presentations that benefit both the Contractor and Supplier.
- Relevant technical training and educational classes.
- Monthly newsletters and email communications filled with industry information and updates.
- State, and local websites with the best in HVAC/R information and resources, technical tips, and management tools.
- Reduced rates on materials, conferences, and training.
- Your company name and phone number on the ORACCA website for Consumer Search of HVAC/R professionals, should you wish to participate in the Website advertising program

What will it cost me?

ORACCA membership dues are simple. The annual dues for the ORACCA members are:

ORACCA Member \$500.00 Annually

Help your business grow with better visibility and a competitive edge in the marketplace that only comes with ORACCA membership.
