

ORACCA Brazing Certification is Back!

The Aril 30th test site will be at Mar-Hy Distributing

We shall continue to exercise caution with the size of classes for the Brazing written portion of the test.

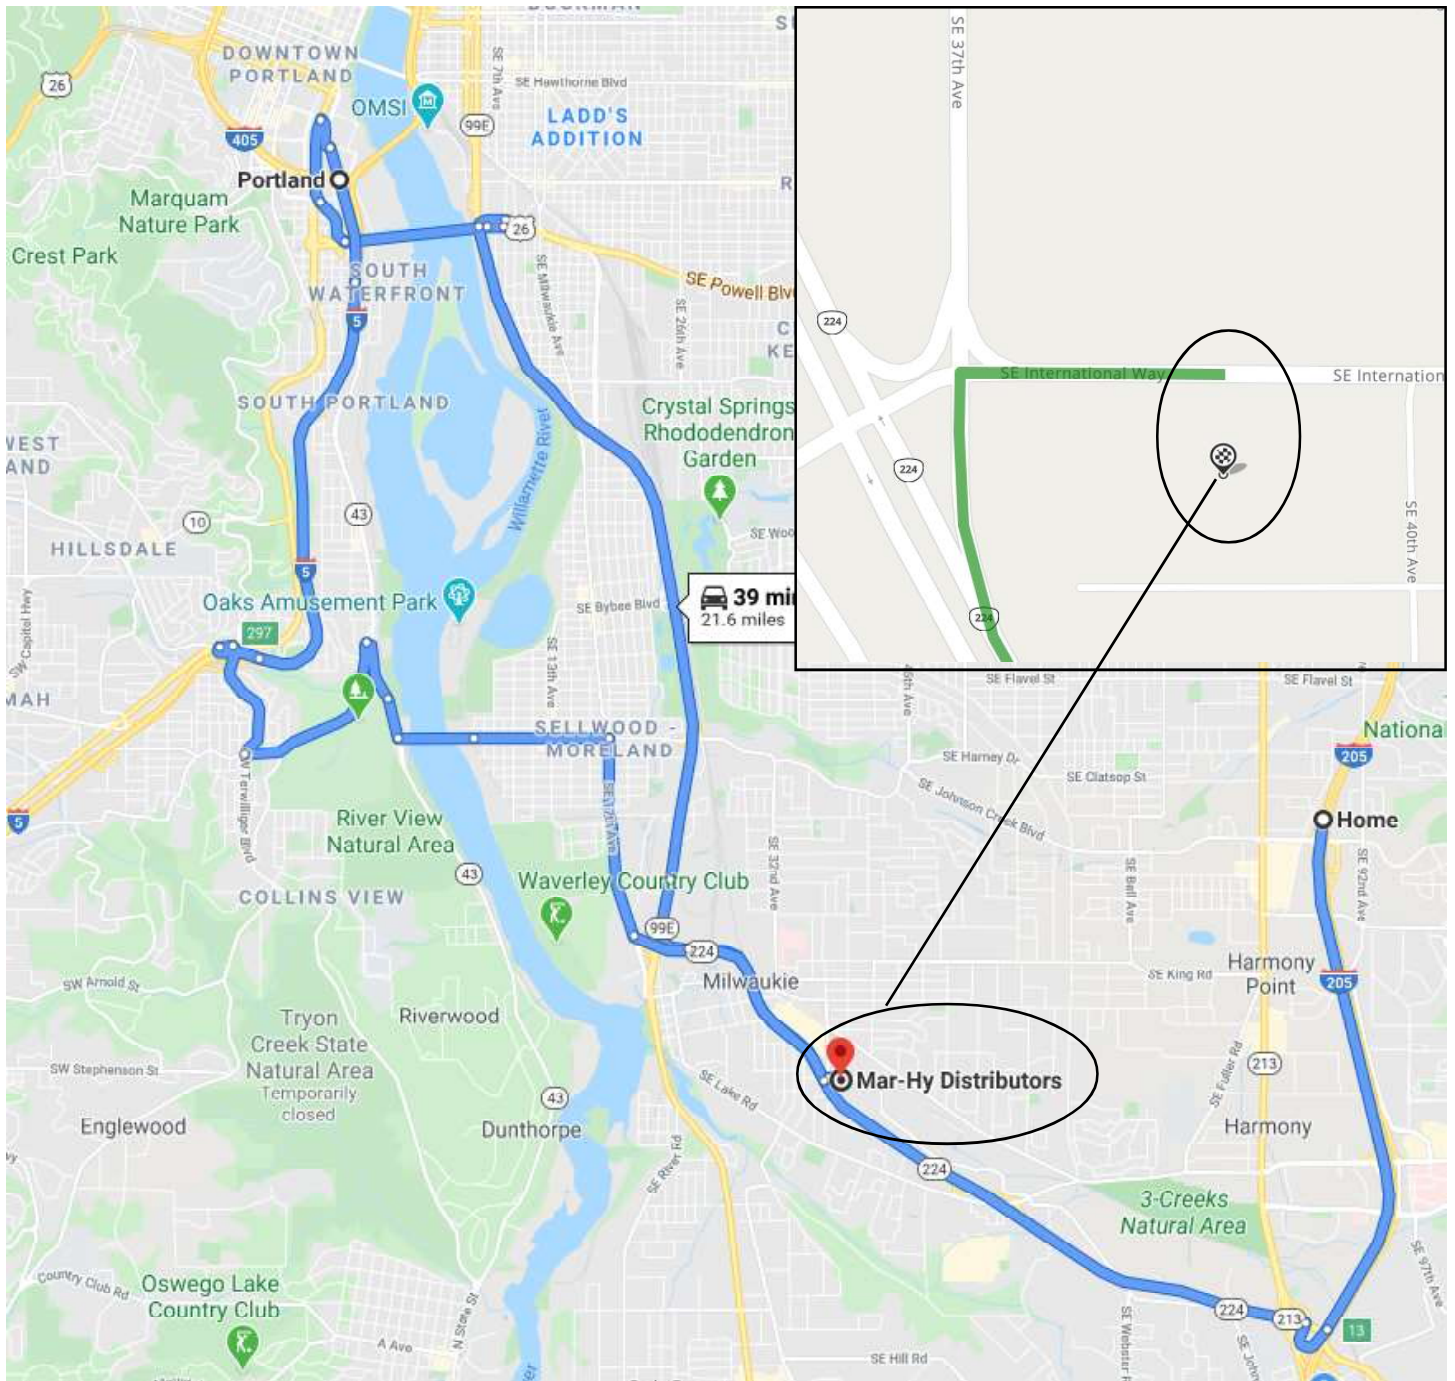

We shall be testing on the hour. Clases will be held at 8:00AM, 9:00AM and 10:00AM on a first come first served basis

For the Practical Test (brazing portion) see the Practical test procedure form on page 3

Mar-Hy Distributors
3850 SE International Way, Milwaukie, OR
97222

From I-205

Take I-205 S to OR-224 toward Milwaukie. Look for the SE 37th Ave., Exit, turn right immediately onto SE International Drive. MarHy Distributing is on the right. 3850 SE International Way, Milwaukie, OR 97222-6002.

Parking for Written Test is the first entrance to the building, off International Way.

Parking for Practical test kit pick up is the second entrance to the building (back side) at will call area.

Practical test for brazing certification procedure

1. First you must contact ORACCA office (360-834-3805, email dan@oracca.org with your intention to take the test on Friday, April 30th. *first come first served.*
2. You will be assigned a testing time, since class size will be limited. Test time will be limit to one hour for the written test
3. If you also need the Practical test, see below. Do this before April 30th test date.

We'll handle the practical another way. To get credit for the Practical, we are asking all participants, needing this portion of the test, perform the Practical portion on your own and bring the finished brazement to the written test for grading. You will be asked to sign an affidavit at that time, stating that you did the brazing Practical test.

If you need the materials for the Practical test, you may obtain them at the MarHy facility starting Monday, May 4, 2020. Each kit will have a 2 ft section of 3/4 OD copper tubing, one stick of 15% Silfos, two 3/4" LT 90 degree ells and one 3/4" coupling. Otherwise stock from your shop or truck is acceptable.

918MT	Section 918 Test - reschedule		\$ 35.00	
	Total			

IMPORTANT STUDENT INFORMATION

- √ •During this session, our presenter will review the pertinent sections of the ORACCA manual.

- √ •The Seminar will be scheduled no sooner than a week after receipt of the test order. This is to allow the student sufficient time to review the text prior to the test. We shall no longer have a class lecture on the subject matter contained in the text before the test. Instead, we will send each participant a logon and password to access an on demand video of the material to be studied. Each participant will be responsible for using the study material and the video to prepare for the test. The written test will be followed by the practical brazing lab. The course study guide for the written portion of the Brazing Certification test will be sent, upon registration. The written test is comprised of a 40 question, multiple choice test. The answers to the test are contained in the study material, so if you don't study, you may not pass. Your choice! Please spend time going over the study material. Do not expect to walk in and pass the test. The odds are against it. We send this information so that you can prepare for the material involved with the actual test.

- √ •The tests will be scored by ORACCA headquarters, P.O. Box 70126, Vancouver, WA. 98665

- √ •In order to obtain certification, applicants must pass the written exam, in addition to successful completion of the practical lab brazing test. (80% is passing on written test and cumulative voids of less than 25% is passing for the lab).

- √ •Materials required for the Test are: 15% Silfloss and copper lab materials, **both supplied by ORACCA.**

- √ •**Each examinee must provide their own Oxy-Acetylene or B-tank Acetylene-air torch set, safety equipment (gloves, eye protection, etc.), measuring, cutting and reaming tools and cleaning materials (scotchbrite pad, plumbers tape, cleaning clothes, etc.). No maap gas sets will be allowed.**

- √ •**The cost for this certification exam is \$325.00 per participant, all ORACCA member company employees may take the course for a discounted fee of \$225.00.**

To insure a firm reservation for the exam, return this form **with your check, or credit card information** for the appropriate amount. Space is limited for participants, per session...so register early. If you miss your assigned test date, there is a \$35.00 rescheduling fee to reassign you to the future class.

THE FOLLOWING TESTING INFORMATION WILL BE FAXED BACK AS CONFIRMATION
