ORACCA
P.O. Box 1949
Vancouver, WA 98668

Golf Sponsors 2021

*Elite Platinum
Corporate Partners*

NW Natural®

*Elite Gold
Corporate Partners*

**How are your
Medical
Insurance rates
for the coming
year?**

**You need to check out
the ORACCA Member
Group program.
Doesn't hurt to take a
look and you may be
pleasantly surprised at
the savings available!**

The ORACCA Annual Golf Tournament was deemed a huge success by all that attended this years outing.

GOLF TOURNAMENT

This years event was a tremendous success due to the efforts of all involved. A special shout-out to our Platinum (Airefco and Northwest Natural) and Gold Sponsor (Federated Insurance) for funding and raffle prizes, with Northwest Natural once again catering the event taking all Covid precautions.

Also stepping up to the plate with hole and drink cart sponsorship along with several Cabelos gift cards was Johnstone Supply. We had more hole sponsors this year than in any previous event, several new and many who participate every year, a complete list is attached above.

Because of the generosity of the sponsors we had a record number of raffle prizes, which brought in extra revenue and made a lot of lucky ticket buyers happy, as we had some very valuable prizes, including; a Yeti cooler, a Cleveland putter, a Square Strike wedge, a Boblov Rangefinder, and a Vacuum pump, just to mention a few.

There were also several contests with prizes out on the course with provided by the different vendors to go along with the KP's and Long Drive prize money. The feedback from all the sponsors and players has been extremely positive with everyone having had a great time.

Having everyone dying to get out and do something certainly contributed to the success of this year's tournament along with some hard work and planning we were able to make the event both fun and profitable. Let's make next years even better!

EPA 608 CFC Testing

Date: To be determined by Proctor. Call for date
Location: To be determined
Time: to be determined

We have completed the process of rewriting the study material and the training video for the NEW test, which is required January 1, 2019. This test brings the questions into the twentieth century, but also makes the required memorization about five times more difficult.

Study material and video is now available. Contact the ORACCA office for information.

This is an on request testing session. We offer the study manual, the On-Demand 4 hour training video and the test on an individual basis, depending upon the participants needs. We offer both On-line and Paper testing.

See the registration button before for more information regarding the EPA 608 test. Call the ORACCA office (360-834-3805) for more information and to set up test dates.
