

ORACCA Update 2022:

Did You Know ...

Membership with ORACCA is a benefit for all members of the company!

To help keep your team well-informed with important industry news, special member perks and discounts, as well as training workshops and webinars opportunities -- we encourage our member companies to make all of their employees aware of ORACCA updates.

There are many benefits of an ORACCA membership. Here are the top several mentioned by existing members.

Additional reason for membership are:

- Company membership applies to all employees of your firm
- Access to local experts from NW Natural, PGE, ETO and Local and State Building Code Division personnel for your technical and code questions.
- Monthly meetings with informative presentations that benefit both the Contractor and Supplier.
- Relevant technical training and educational classes.
- Monthly newsletters and email communications filled with industry information and updates.
- Reduced rates on materials, conferences, and training.

1. Networking with other contractors. This source of information is invaluable in handling problems within your own company. ORACCA members help fellow members to be successful

2. Training discounts. Brazing Certification, NATE Certification, Manuals J, D, S and T Certification, CFC certification. Special pricing for members more than offsets the cost of membership.

3. Medical insurance coverage. The ORACCA Health plan offers plans that could more than pay for your ORACCA membership.

4. Many of our educational monthly meetings qualify for either NATE CEU's and/or CCB CE's

5. Quarterly meetings with Oregon Code officials. Get your code enforcement questions answered.

ORACCA distributes NEWS & VIEWS on a monthly basis to members and selected non-members, so that all those in the HVAC/R industry can keep informed of issues regarding our trade, and Chapter activities. We hope the non-members will see this newsletter as an example of the quality services that ORACCA provides. Contributions or suggestions can be faxed to Association Headquarters at 503-914-1999 or emailed to dan@oracca.org
